

Insights from Little Truff Saves the Kererū

Worksheet based on Bloom's Taxonomy

KNOWLEDGE

This is a story about conservation.
Find out and record 5 ways to show how people can make a difference towards the conservation of birds in your area especially in winter.

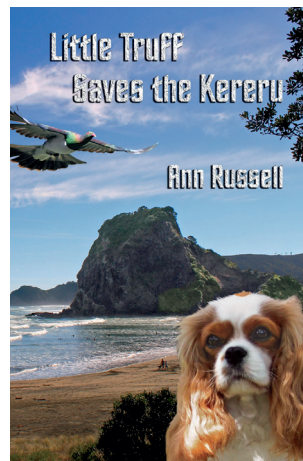

EVALUATION

Write a letter to the school newspaper stating why you think conservation is important.
Give at least 3 examples of animals and birds who need special protection. What penalty do you think should be given to people who abuse or kill protected animals or birds?

COMPREHENSION

Little Truff states that, *"Every living thing is a part of the family of life."*

What does this mean?
How does it affect animals and birds?
How does it affect trees?
How does it affect us human beings?

SYNTHESIS

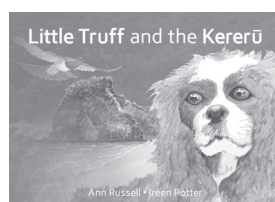

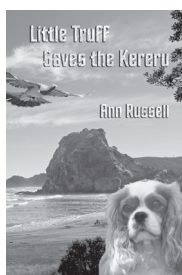

Imagine that you are a wild animal or bird.
Write a story about being hunted by a poacher. Provide a contrast by including what life was like before this happened.

APPLICATION

Create a board game based on the story
OR
Make an A4 conversation poster for a protected animal or bird.

ANALYSIS

Under separate headings, give 5 attitudes and behaviours conservationists and animal lovers have towards natural environments and wildlife.
Do the same for poachers to show the difference.
